# books & beer benefit

The board and staff of the Minnesota Fathers & Families Network invite you to join us for our Books & Beer Benefit.

Sample locally brewed beers, non-alcoholic drinks, and light snacks. Make a contribution of \$30 or more and take home a copy of a father-friendly children's book or an educational publication about healthy fatherhood. Enjoy conversation, partake in a silent auction, browse the books, and support programming for Minnesota's families & children. This is a great place to find the right book for a Father's Day gift!
